## Be Encouraged

**AND STILL...WE ARE BLESSED!**

*"O soul are you weary and troubled? No light in the darkness you see?  
There's light for a look at the Savior; And life more abundant and free."*

...Go the words of the old hymn some 100+ years old and counting, and how true they are—simply timeless. Day-in and day-out, we journey through this life never unsusceptible to storms and rains of life. We live. We die. We pay taxes. We have to put up with political adds, robo-calls, spam mail, Monday mornings—things much more serious—illness, loss of life, loneliness, a job, and brokenness in relationships. It takes little to become weary as we journey in this life. But in our darkness, we are afforded a "light for the look at the Savior!" And a bright light He is, indeed!

*"Turn your eyes upon Jesus; Look full in His wonderful face  
And the things of earth will grow strangely dim; In the light of His glory and grace."*

When God's people take *that look*, not only are the eyes of our mind flooded but so are those darkened and downcast places of our heart. That's what just one look at Him does for us. Again, He is a **TRANS-**

**FORMATIONAL** God in every way. Beloved, **WE ARE BLESSED**—we are blessed in every way! If I am His and He is mine, there should be a growing passionate fire in my soul that no man or circumstance can touch. Even in the fire and season of affliction we experience, my soul stands firm in His grip. Just one look at Jesus!
