## Be Encouraged

...for the life and light that has come!

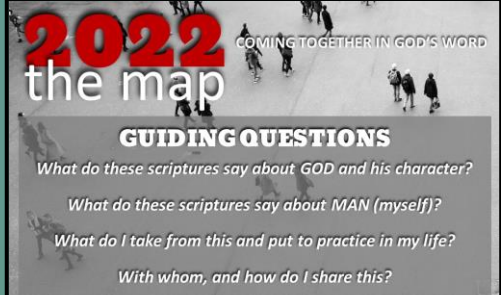

Beloved, though Rene' and I are quarantined in doors due to COVID-19, my heart is bursting with the joy and peace, and great expectations that are in Him! With every day that passes and each step we take toward Him, more life is added. I hope and pray that 2022 is a year in which LIFE is added to your "space" and journey.

I previously did this on our New Covenant Facebook page, but I want to thank Pastor Scott once again, for stepping in for me this past Sunday, and thank all of you who are praying for Rene' and I. Also, I wanted to take a moment to CELEBRATE a huge milestone in our mission's efforts in 2021. **FIRST: New Covenant, you exceeded our 1200 Bible goal for the Believers in India by nearly 300 Bibles. We end 2021 with 1,498 Bibles for the Believers and Christian Workers through India Gospel League. SECOND: We rejoice with J.T. and Heather Greer, as they embark upon their new calling to McAllen, Texas. They will be headed to Texas by January 15. Continue to pray for them as they make their "faith movements."**

Beloved, I look forward to sharing with you on Sunday evenings this month through our prayer focus for 2022, **"BE STRONG IN THE LORD."** Each Sunday evening at 6:00 pm, we will meet for an interactive time around the tables for reflection, dreaming, connecting, and praying together. And as we covenant together with God, I hope that we will be connected IN HIM as He shows Himself powerful through our trust and obedience in Him.

**Blessings, Pastor Kevin**

**GUIDING QUESTIONS**

*What do these scriptures say about GOD and his character?*

*What do these scriptures say about MAN (myself)?*

*What do I take from this and put to practice in my life?*

*With whom, and how do I share this?*

**2022**

What was your life like before you encountered Jesus' transforming love?

How did Jesus encounter you?

What was that like?

How was Jesus different than what you thought He'd be?

What was He like?

How is life different now?

What HAS changed, and what IS changing?
